## Sponsorship Drive Please Give This Application to a Friend

At the Central Rockies Wolf Project, we are continually trying to enhance our research and education programs. These efforts can only occur with your support. With our wolf sponsorship program we are now offering people the opportunity to use several different ways in which they can support wolf conservation.

### A Café Latte Per Month!

A steaming cup of *café latte grande* costs approximately \$5.00 by the time you sit down to enjoy it. How often do you treat yourself? Once, twice, three times per month? Have you ever thought about \$5.00 or even \$10.00 per month for wolf conservation? We are now offering a direct debit program. With your authorization, we can debit your bank account on a monthly basis. No renewal forms to worry about. No cheque writing to worry about. In the future, after signing up, if you wish to stop monthly direct debits, the program ceases immediately upon your request. While \$5.00 or \$10.00 may not seem like a lot of money to some people, it can make an incredible difference for our wolf conservation efforts.

With only \$10.00 per month:

- One direct debit sponsor can help us to purchase a telemetry receiver.
- Five direct debit sponsors can help us to purchase a radio collar.
- Ten direct debit sponsors can help us to reach 1,000 students for wolf programs.
- One hundred direct debit sponsors can help us to fly 10 telemetry flights.
- Two hundred direct debit sponsors can help us to purchase a vehicle for our research efforts.
- Three hundred direct debit sponsors can help us to hire a research technician for a period of nine months.

It's a fast and easy way to contribute directly to wolf conservation. For more information, please contact us at **888-872-1110**.
